#### DEDICATION

To the courageous and unsung heroes who gallantly risked their lives helping others, in the disaster that overwhelmed the vast Ohio Valley, we dedicate this edition of the "Topic."

On the persons who have created the miraculous spirit which prevails in our own reborn city, we wish to place the highest possible honor, an invisible, everlasting medal - - for Valor.

IN MEMORIAM

W.J.Schwaninger

1872-1937

### FOREWORD

Woven through the following pages is a complete design of the past school year, a pattern that we never want to forget. The mind need but be refreshed and the past events can be revived with their former vividness.

If this, the nineteen-thirty-seven "Topic" brings back to its readers those memories worth remembering, to almost actual reality then its purpose will have been thoroughly accomplished and our efforts well rewarded.

## TO YOU

WE, the Senior Class of Jeffersonville High School, being of sound and disposing mind and memory, do hereby make and publish this, our last will and testament, in order to justly distribute our scholastic interests among succeeding classes.

Item I - We leave to the freshmen, the agony of gradually changing into aged and mellow seniors.

Item II- We bequeath to the sophomores that elation that comes when they can join in making the underclassmen seem ridiculous.

Item III-To the juniors goes our whole-hearted sympathy.

Item IV -We leave to the faculty profound peace and a sense of relief.

Item V - To the janitors, we leave a prayer for neater students.

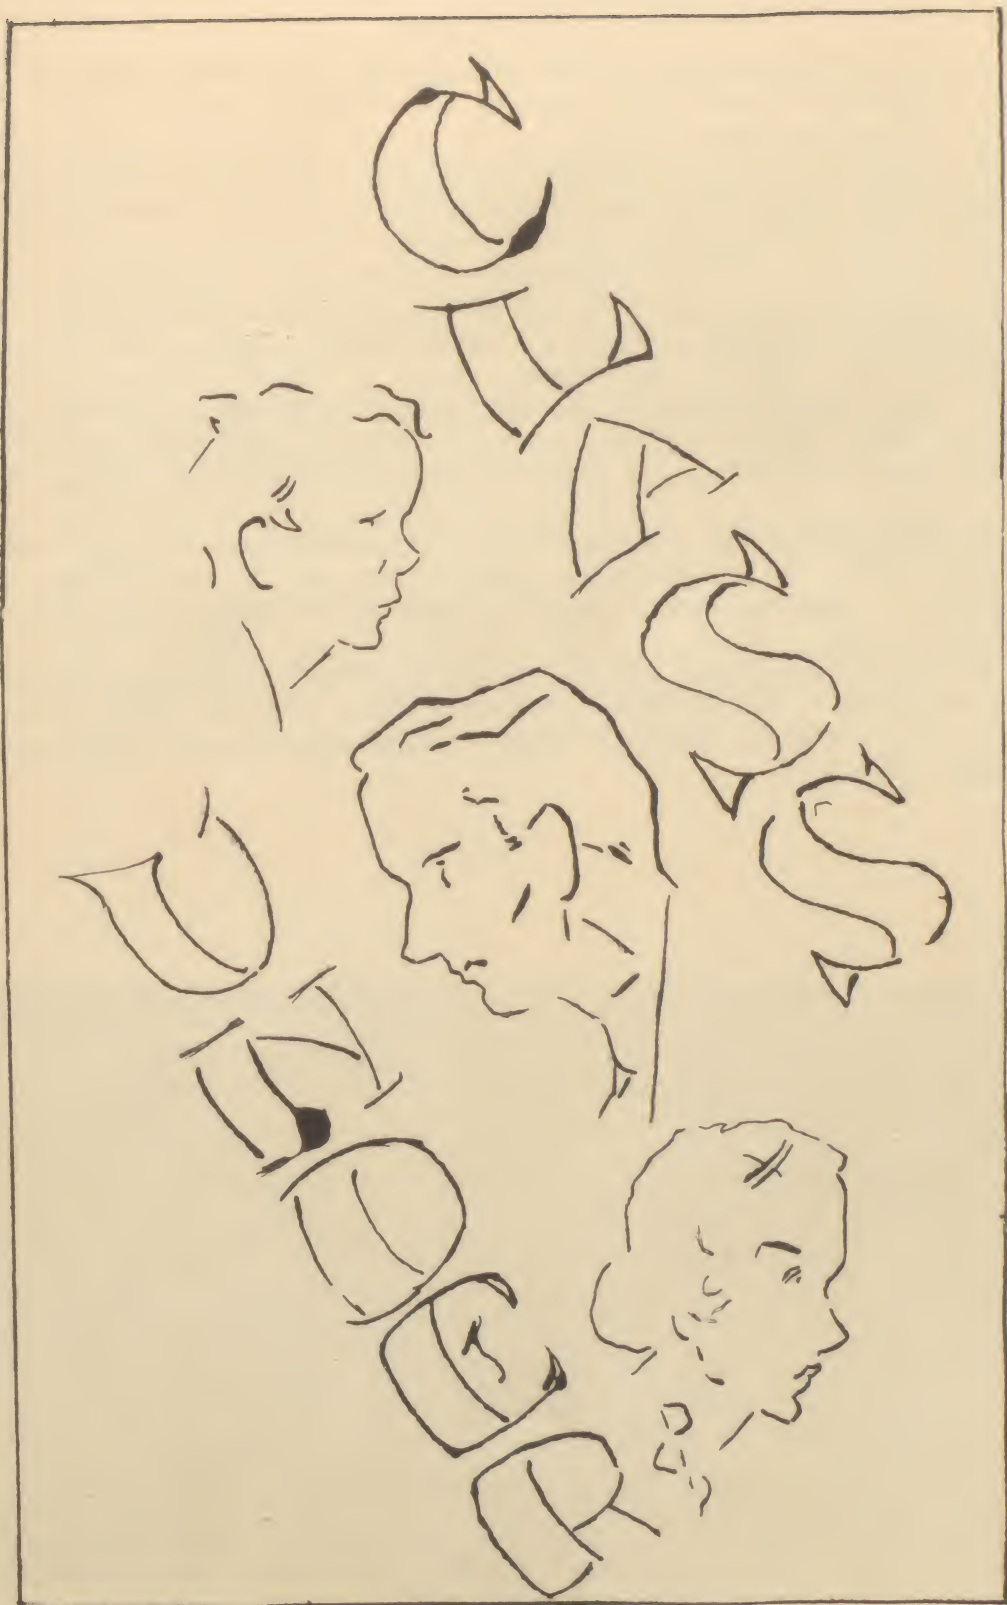

Item VI- To Father Time, we leave the four happiest years of our lives.

### COACH BARNES

Mr. Barnes, during this year, his second at Jeffersonville High School, built up a very fine ball club after having taught an inexperienced group his methods of coaching last year. Because of the flood, the team was not able to fulfill its schedule nor participate in the tournaments. Everyone feels, however, that due to the fine performances of the team just before that time, Mr. Barnes was deprived of much credit which he would have received had the season been finished.

The Red Devils will be piloted by Mr. Barnes through a great season next year. The fans are all sure that he is the one who can produce a team which will fill the new field house to capacity every game.

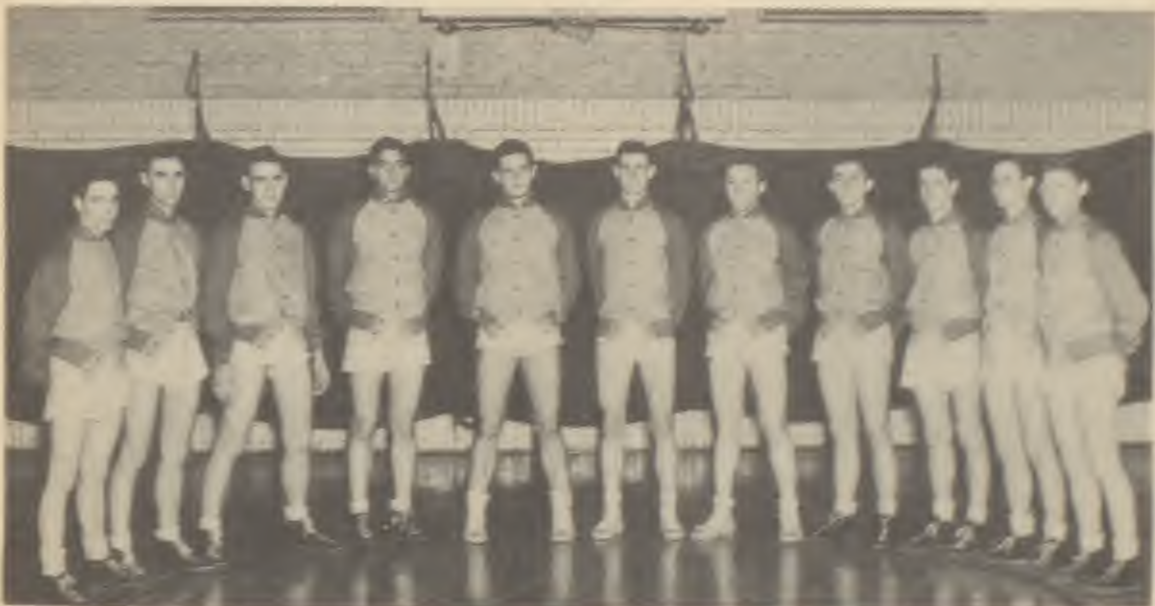

COACH BARNES

## VARSITY SQUAD

Although this team was not entered in the annual I.H.S.A.A. Sectional Tournament, it had a successful season, winning seven of the eleven games played. Due to the flood, the regular schedule was not completed. We are very fortunate this year, in that we lose only three players through graduation. They are: Jesse Adams, Junior Allen and Jack Hollenbach. The players who will return next year are Bob Raisor, Harold Summers, Jim Raymond, Ernie Fredericks, Marvin Akers, Fred Hunokler, Bud Mashmeyer and Bill Edwards.

#### "BRITCHES" RANEY

Mr. Gordon (Britches) Raney, assistant basketball coach, has successfully completed his second year of work. He coached the Second Team and the Junior High School team through an unusually good season. This year a City Basketball League was organized under his supervision, and his Junior High School team won the championship title. His work in assisting Coach Barnes with the High School Varsity further proved his ability as a capable coach.

#### "DOC" MUMMERT

After a lapse of eight years, football has returned to Jeffersonville High School under the guidance of Mr. Brunell (Doc) Mummert. Mr. Mummert came here after having enjoyed six successful seasons as head football coach and assistant basketball coach at Logansport. Occasionally he substituted for Mr. Raney.

This year's practices consisted of fundamental drilling and preparation for the regular scheduled games planned for next season; however, these will not be played, due to the financial losses caused by the recent flood.

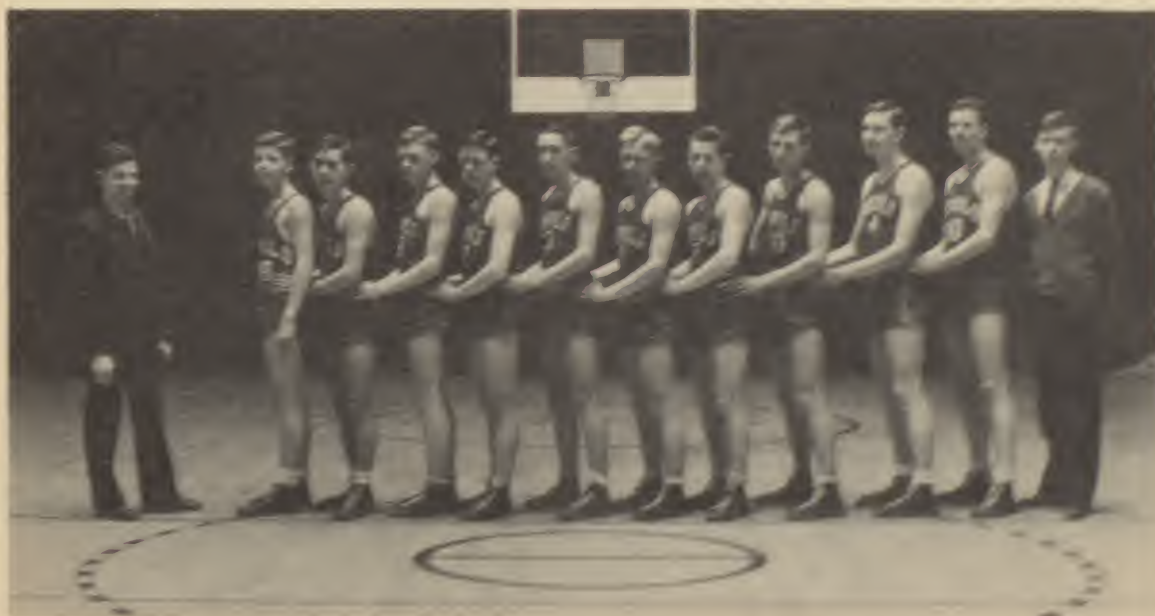

## SECOND TEAM

The Jeffersonville High School second team of the 1936-'37 season, coached by Gordon Raney had a very successful season in spite of the disaster, which kept them from completing their schedule. Out of nine games played, the team was defeated only twice.

Besides winning most of the games, the second team has developed some good material to be used in molding varsity teams in the future.

### THE G. A. A.

Some of the sports we have in the fall,  
Are soccer, tennis and volley-ball.  
Next we have basket-ball, baseball and track,  
And we all love them, of players there no-lack  
When we find any leisure time,  
We practice other sports, each in its clime.  
Our president is Jo Ferguson, her assistant, Mildred Haughey,  
We follow them as leaders and do it with great joy.  
Secretary Schan, and treasurer Reed,  
Give out information which we each one heed.  
Who couldn't guess, we hear someone say,  
Why of course, that's the G. A. A.

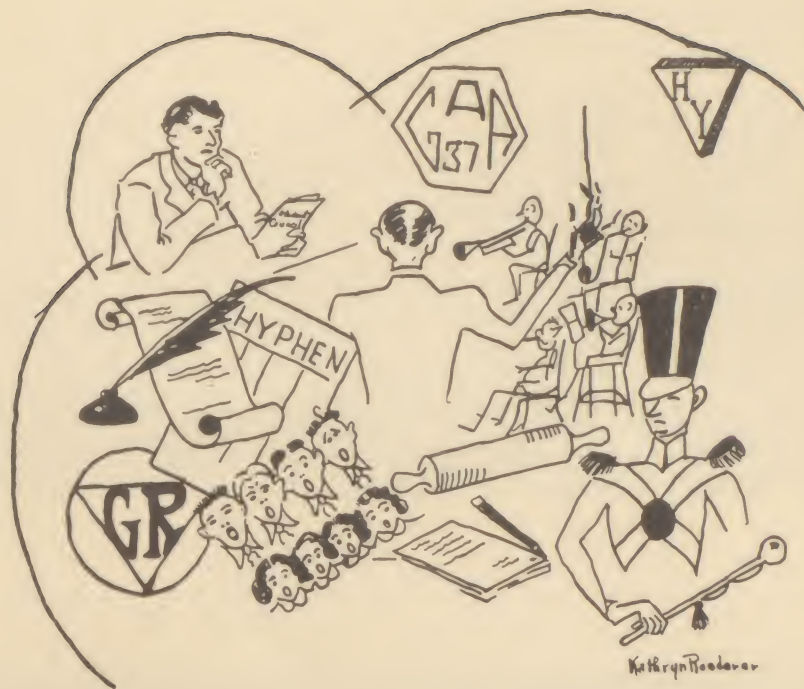

# ORGANIZATIONS

## STUDENT COUNCIL

The Student Council was first organized four years ago. The Officers chosen for this year were: Edwin Coots, president; Magnus Heubi, Vice president; Mildred Haughey, secretary; and Malcolm Brown, treasurer.

Purposes of this group are to develop a better understanding between the students and the faculty and to promote better school spirit.

Each session room selects a pupil to represent them on the council. Dependability, scholarship and citizenship are the qualities considered in election.

## COOKING CLASS

At the top of the high school building stands the Home Economics room and the cooking class is "tops" with many high school girls. Take pleasant work, add fun and food and you have the rare mixture that goes to make up the hours spent in cooking class.

Behind the smiles and gay chatter of the class members, you will find clever ideas worked out by alert minds and deft fingers. The result is extraordinarily pleasing to the palate.

Recently the exploitations of the cooking class have been super-miraculous, and the possibilities of future classes will know no bounds. This is due to the addition of an electric stove and ice box, a gift of the Annual Staff of nineteen thirty six.

Under the guidance of Miss Kimbley this class has advanced into one of the most interesting courses in the high school.

## BOOSTER CLUB 1936-'37.

Much enthusiasm was aroused this year among the students by this newly organized group under the leadership of Mr. Clapp and Coach Barnes.

Faculty advisors selected thirty students from the Junior and Senior classes as charter members, who elected fifty more students to compose the entire organization.

To stimulate interest and to create true school spirit in all enterprises, are the purposes of the club. However, most of its work was centered upon athletics.

The group enjoyed a most successful year of activity.

## SENIOR PLAY

"Growing Pains", a three act comedy was presented at the High School Auditorium May 28, 1937, under the direction of Miss Katherine Hines.

The cast was as follows: Frank Parker, Ada Cowling, Hazel O'Bryant, Edwin Coots, Virginia Groher, Mildred Haughey, Josephine Ferguson, Juanita Shannon, Eleanor Dickey, Mary Catherine Crooks, Martha Bird Funk, William Durbin, Claude Lindley, Richard Ellwanger, Pat Healy, Eleanora Ploetner, Jack Hollenbach and Randel Trebing.

## REPRESENTATIVE STUDENTS

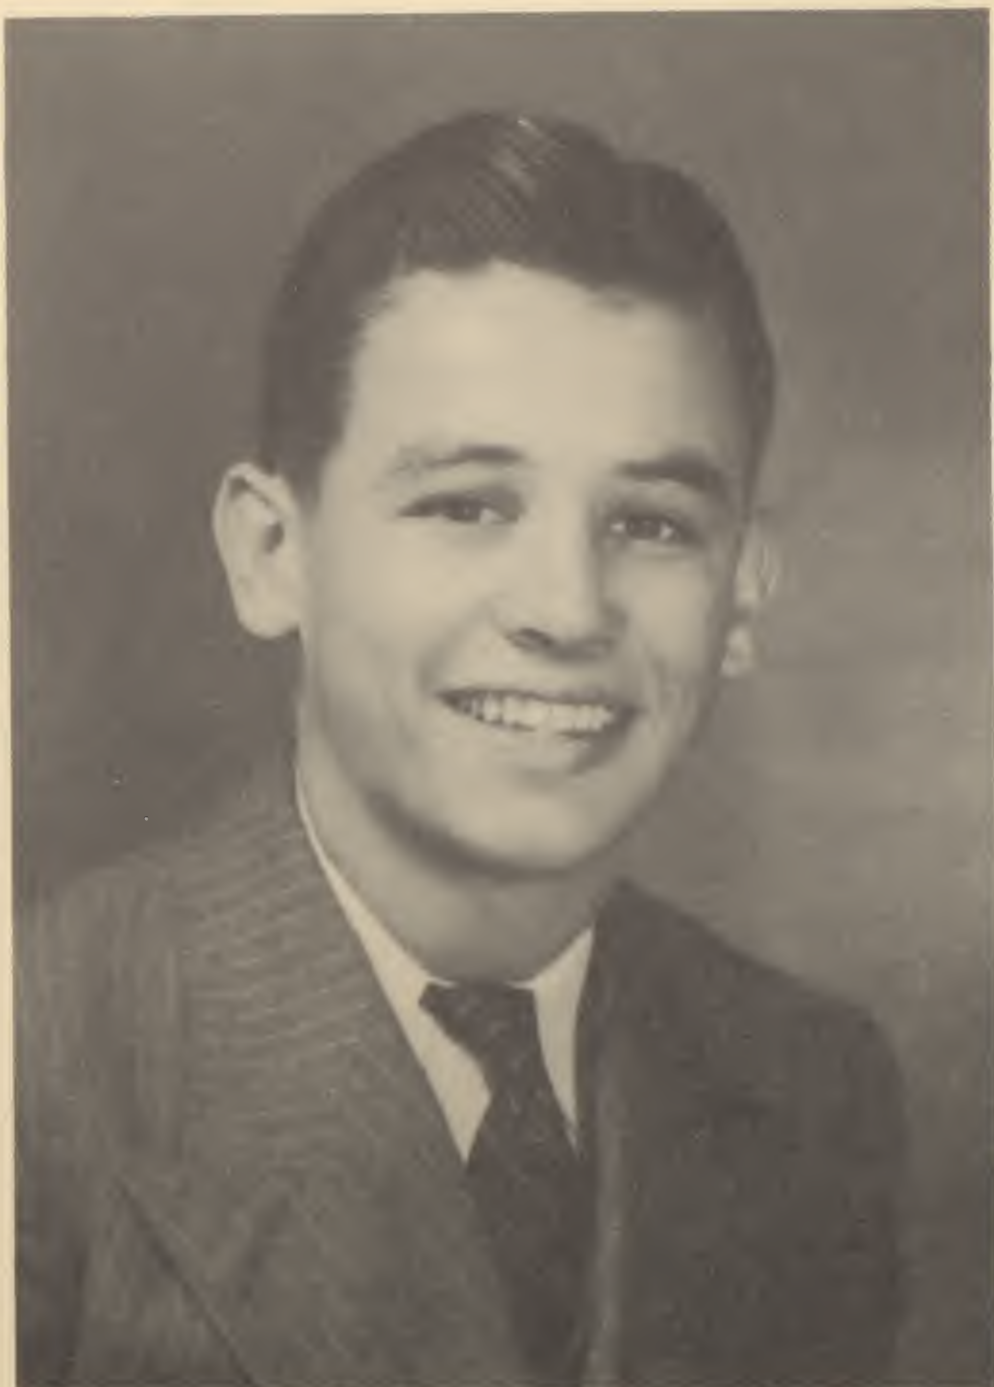

The student body was given quite a task when asked to choose a boy and girl from the junior and senior classes to reign as representative students. To be elected to receive this title, the student had to be outstanding in the following: good citizenship in both town and school, personality, scholarship, and consideration of fellow students.

Being chosen as representative student is one of the highest honors that can be bestowed upon anyone by his classmates.
